Pizza Provencale supports Bristol Zoo Gardens

Bristol Zoo Gardens is so much more than a visitor attraction and we need the public's support to raise funds to care for our animals in the zoo, and endangered species across the globe. Each year Bristol Zoo is involved with over 15 field conservation projects, working directly to protect threatened plants and animals, and their habitats, in the wild. Projects range from the support of the UK native species such as the White Claw Crayfish, to the Lemurs of Madagascar and Gorillas of Cameroon.

If you'd like to get involved and support your local conservation charity please contact Lizy Jones on 0117 974 7329 or email ljones@bristolzoo.org.uk
